

LCTS Newsletter Autumn 2025

Branding Refresh

We're excited to share our brand-new look! Over the coming weeks, you'll notice our refreshed logo and colours appearing on our buses, online, and throughout Edinburgh & the Lothians. While our appearance may be changing, you can be assured it's still the same LCTS team dedicated to providing the reliable, friendly services you know and trust.

Visit our new website at www.lcts.org.uk to explore our services and see the changes for yourself.

Summer Trips

Our summer trips were a huge success – every single one sold out! From seaside days in Burntisland, St Andrews, and Dunbar to exploring Peebles, St Abbs, and The Great Polish Map, it's been wonderful to see so many people enjoying our outings.

We will have two more trips running as we approach the festive season, so keep an eye on our website and socials for all the details.

New People Carrier

Thanks to funding from The National Lottery and The Robertson Trust, we've added a new accessible People Carrier to our fleet. The vehicle seats driver + 5 passengers and includes space for one wheelchair user. It's available to members for self-drive hire - if you're interested, please get in touch for more information.

Transport Training

Kenny (pictured below, left) recently attended the National Transport Awards in London. LCTS has delivered MiDAS training since 1995 and, as Scotland's only Driver Assessor Training Centre, we provide Driver Assessor training Nationwide. With MiDAS busier than ever, we are expanding our training sessions to meet with growing demand.
